President,  
International Speakers Network

*Conversations On Leadership* is a dynamic collection of frank and inspirational interviews with some of America’s most prominent leadership superstars. These powerhouse professionals are not selling empty bottles of emotionalism and road-weary slogans. Each contributor brings lessons learned from years of work with organizations and individuals and add exciting and relevant leadership principles that anyone and everyone can put into practice.

Dr. Isabel Perry, one of the featured contributors, is a highly motivated professional with a unique combination of experiences as a corporate executive, entrepreneur, author and speaker. She is an effective communicator who has the expertise and natural ability to bring "real life" solutions to her audiences worldwide.

Dr. Perry climbed the corporate ladder in a Fortune 50 company and “broke the glass ceiling.” While working with all levels of the organization she led teams in international operations; these teams were inspired to excellence and won international awards for their performance and contributions to the corporation. Dr. Perry shares her successes and expertise by speaking on the following topics:
